Short description of the center

The Center for Health, Culture and Society (working title) was suggested by a working group at CAS, Departments of Anthropology, Philosophy and Theology, with the overall aim to join interests in humanistic, theological and social science research on health.

ALL interested researchers at ARTS are welcome to attend the meeting and the monthly research seminars organised by the center.

Please send an email if you will attend the meeting to korsbaek@cas.au.dk before January 30, 2017.

On behalf of the working group,

Ulrik Nissen, Jens Seeberg, Thomas Schwartz Wentzer, Uffe Juul Jensen, and Lotte Meinert
